This was an excellent tour. Our tour guide Winston was very professional, nice, and knowledgeable about the history of Accra and Ghana. We loved all the stops we made, such as the W.E.B. DuBois Centre in Accra. We cannot recommend this tour highly enough. We are already booking our next tour with the same company.

Our tour guide (Ishmael) was very cordial, accommodating, and knowledgeable about Ghanaian culture and history. This was one of the best ways to learn about the history of the city of Accra and Ghana. The tour ended with a delicious lunch at Gold Coast Restaurant and we also were able to try delicious snacks from the Makola Market.

## **A perfect Trip**

Tripadvisor review: Kaya Tours Ghana Ltd

Thank you to the Kaya Tours team for an excellent program that made my 7 Days in Ghana a truly memorable trip. Everything around my trip was well-planned and coordinated with a perfectly suited vehicle. My Guide, Ishmael, was excellent and knowledgeable about the destination. He explained everything and shared videos of the destinations I visited. I had fantastic accommodation for the entire trip, but my highlight was at Bays Lodge in Accra; the staff there were very kind and welcoming; I was home, away from home. They all smiled. Mr Abeiku, the owner, was very friendly, helpful, and informative, which added to the overall sense of confidence that you should book tours with them. He offered several short visits at free cost. I visited one of the local radio stations, the new commercial port in Accra, and found them very interesting. Whether you are a family looking for a luxury trip or a single traveler like me looking to get off the beaten path of Ghana, the Kaya Tours team will find the itinerary for you. I'm returning to Ghana and can't wait to book my trip with Kaya Tours again.

## **Op ontdekking in Accra met Ismael**

Tripadvisor review: Know Ghana in 4 hrs - Accra City Tour

We beleefden een prachtige én interessante dag in Accra. Ismael, onze gids, gaf ons een mooi beeld van het leven in Accra, zowel nu als vroeger. We kregen achteraf nog foto's toegestuurd van ons met alle bezienswaardigheden en mooie uitzichten. De lunch was heerlijk! Ismael bracht ons ook nog naar een lokale culturele markt waar we enkele mooie souvenirs gevonden hebben. Heel leuk om tussen de kraampjes te lopen. Deze uitstap is een aanrader voor iedereen die Accra wil bezoeken!

## **Educational and interesting**

Tripadvisor review: Know Ghana in 4 hrs - Accra City Tour

This is one of the best tours I have had during my stay in Accra.

The tour was organized by David he made sure that we visited all the areas as mentioned. David provided his historical perspective of Accra and the meanings behind different monuments in Accra. Each place we went to had their own tour guides and it was interesting as well.

The highlight of the tour was seeing the historical pictures of Kwame Nkrumah taken during his lifetime and Queen Elizabeth's and Prince Charles' bed at the Osu Castle. I highly recommend this tour!!

## AMAZING

Tripadvisor review: Know Ghana in 4 hrs - Accra City Tour

This tour was absolutely amazing. We visited all the places as mentioned but our guide, Ishmael, went above and beyond from the beginning. Our day started with Makola Market but due to traffic, we were stuck. Ishmael answered questions we had about the market and had us try the fried cassava and coconut treats. So good! There were also refreshments available on the truck just in case.

At some point my cousin ask about fabric that we saw from the truck. Ishmael got out and brought the vendor to us. CRAZY!!! His partner came to move the truck a bit and Ishmael was steady working for us... getting beads and everything. NONE of us expected this and it was certainly above any service that any of us expected. We got

all our shopping done right there. Lol.

At the end of our tour, there was lunch provided at Laboma Beach. The canopy set up and lunch were great. At some point, Ishmael had gotten my 8 year old a kite and showed her how to fly it. Again, awesome!

If you're searching for who to tour with, your search can stop right here. I'm certain you will be please.

Best regards to all.

## **Excellent tour full of history**

Tripadvisor review: Know Ghana in 4 hrs - Accra City Tour

We were unanimously satisfied as three Afropean ladies of different age groups visiting Accra for the first time. Despite the hard history we've spent an enjoyable day.

Our tourguide is friendly and kind, very knowledgeable, informative, attentive person and a great driver. You will meet different tour guides on the sites. We were taken care of at all times. Hotel-pick up worked perfectly even though we booked a day before.

We recommend this well organised half day tour, especially if you stay close to Osu. We will book again with KayaTours. Thank you for everything!

## **We enjoyed our time and got to learn a lot about Accra**

Viator review: Know Ghana in 4 hrs - Accra City Tour

My driver was very helpful. He took pictures and videos for me and my husband during the tour. The tour guides at the landmarks were very knowledgeable. We enjoyed our time and got to learn a lot about Accra. The reason I couldn't give this 5 stars was because the tour was supposed to start at 8 a.m. but it didn't until 9:30 a.m. He made up for it by spending more time at the market and he negotiated prices for us.

Tripadvisor review: Visit Ancestral Village, Mini Safari, Boat Cruise + Lunch

The Volta lake is really beautiful and Akosombo dam most impressive. The baboos that we met on the road were my highlight of the day. Unfortunately the boat we wanted to take did not leave, but we could take a smaller one instead. The guide cared a lot, also bought local food for us, and made it a fantastic day.

## **Phenomenal**

Tripadvisor review: Know Ghana in 4 hrs - Accra City Tour

What an amazing experience we had on the Accra City Tour! I would recommend this tour to any person who is looking for an authentic, professional, and intellectually stimulating experience in Accra. It is a day excursion ending with a late lunch, but we were able to cover a lot of ground and tailor the stops to our liking.

We booked the tour late on a Saturday night for the following Sunday morning and received almost instant confirmation of our booking from the owner. Kaya Tours allows for front door service, hotel pickup. They provided constant updates as to their arrival, which was satisfying to me as a customer because at booking you are only given a time frame (mild Type A personality).

The tour started at Osu Dungeon. We then explored Independence Square, the Dr. Kwame Nkrumah Memorial Park, and Jamestown. We also made quick stops at places like the Jubilee House, a street art park in Jamestown (where local artists were face painting neighborhood kids and doing photoshoots), and the beach for a break on the rocks. After a long day of sightseeing, Gilbert took us to a nice Ghanaian restaurant where we enjoyed a fresh buffet of ALL of the Ghanaian favorites--jollof rice, red red, peanut soup, etc.

The tour company is respected in the community. This was demonstrated by the interactions with historians and orators at the sights and also among Ghanaians more generally. I cannot thank Gilbert enough for welcoming us to Ghana! This tour really set the tone for my experience.

## **Beautiful Accra**

Tripadvisor review: Know Ghana in 4 hrs - Accra City Tour

My son and I had a fantastic day with our guides Koby and David. The tour started with a visit to the Kwame Nkrumah Memorial Park. At the park, we were given a detailed history and overview of the President Nkrumah and the significance of the

park. Next we headed to Black Star Square and Gate. We were allowed to climb up the Gate and had a great view of the city. The last stop was Osu Castle. Koby provided a detailed history of the castle and it's significance to Ghana.

At no point were we rushed. We took our time and all of our questions were answered. The tour was modified at our request, which made it even more enjoyable.

This tour is a great way to discover Accra and provide ideas for further exploration.

## Spontane tour

Tripadvisor review: Know Ghana in 4 hrs - Accra City Tour

Ich habe die tour am Samstag abend um 21.00 gebucht. Und am Sonntag hat sie stattgefunden. Sehr spontan, obwohl im internet 8.00 a.m stand fand sie erst um 10.00 statt dies wurde mir jedoch vorher kommuniziert. Alles tiptop. Die einzige person in meinen 31tagen in ghana welche pünktlich war. Der Guide "David" war sogar schon 15minuten vorher da. Alles gemacht nach Plan -> Castle> Independence Square> Mausoleum>jamestown. Markt hatte zu am Sonntag gab jedoch Alternativen die David angeboten hat. Gutes Fahrzeug und netter Guide. Auch sehr flexibel.

Mein Fazit:

- +super freundlicher Guide
- +Alles wiw beschrieben und pünktlich
- +sicher
- +Preis (hotelfahrer wollte 3x mehr für gleichen service)

Gibt nichts zu beanstanden.

Viator review: Uncover Chapters of Slave Trade in Ghana, Canopywalk + Lunch

I had the opportunity to tour the Cape Coast and Elmina Castle with Kaya tours. I was picked up promptly at my hotel to begin the journey. The guides were very hospitable and informative. The history of the adversities Africans faced due to slavery was heart wrenching and eye opening. The guides made sure our needs were met and questions answered. Being a solo traveler on my first trip to Accra, this level of comfort was appreciated. The bonuses and surprise gifts were great! (Thanks Ishmael and Gilbert) I highly recommend this company and tour to all!

I had the most informative and lovely trip with my tour guide, Ishmael.
